9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004)

The Augusta Housing Authority has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment from discrimination through the utilization of FY 00-04 Capital Funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively.

Capital Funds have been utilized to provide modernization of our property and all future grants will continue that effort.

The Community Service Requirement has been reinstated by HUD. Our ACOP and leases have been modified to reflect that change.

We are confident that the AHA will be able to continue to meet and accommodate all our goals and objectives in FY 2005.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

- 1. Any alteration of the PHA's Mission Statement**
- 2. Any change or amendment to a stated Strategic Goal**
- 3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the**

objective having been met

4. Any introduction of a new Strategic Goal or a new Strategic Objective
5. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year

In defining the above, the Housing Authority intends by “Strategic Goal” and “Strategic Objective” specifically those items in its Five Year Plan and any change in the above items will be considered a “substantial deviation” from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are “significant amendments or modification” to the Agency Plan:

- 1) Changes to rent or admissions policies or organization of the waiting list
- 2) Additions of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- 3) Additions of new activities not included in any PHDEP Plan
- 4) Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD
